

Hot Dog & Bun Warmers

Treat your customers to delicious, steaming hot dogs, with the Roband Hot Dog and Bun Warmer. The see-through glass tank presents the hot dogs appealingly and the optional spikes heat the buns for a perfect combination.

FEATURES

- Stainless steel construction
- Energy regulator controls
- Heated aluminium spikes
- Optional Teflon® coated spikes
- Tank divider to separate heating and cooked product
- Available without steam tank (M6T)

Chip Warmer

Enhance productivity and presentation by creating an area to hold, serve and display cooked chips. Heating from above and below, the Roband Chip Warmer maintains cooked chips at the correct serving temperature and allows the basket to be immediately returned to the fryer for the next batch. At the same time, the heat lamps serve to throw a yellow light onto the cooked chips to enhance presentation.

FEATURES

- Heat source from above and below
- Energy regulator control
- Sloped tray for ease of serving
- Stainless steel body
- Adjustable feet
